

# CULTURE MOVES EUROPE

Culture Moves Europe provides mobility grants for artists and cultural professionals in all 40 Creative Europe countries.

It is funded by the European Union and implemented by the Goethe-Institut.

The scheme consists of two action lines: Individual Mobility and Residency.

Specific measures are taken to encourage green mobility and ensure access for everyone active in the cultural and creative field.

## Creative Europe Push Boundaries

### Residency Action

This call supports legal entities in hosting a residency project with up to five participating artists and cultural professionals coming from other Creative Europe countries.

The project should pursue one or two goals:

- » **to explore:** to conduct research, to investigate and work on a specific theme or a new concept.
- » **to create:** to engage in a collective creative process seeking to produce a new piece of artistic/cultural work.
- » **to learn:** to enhance the participants' competences and skills through non-formal learning or collaboration with a specialist.
- » **to connect:** to develop a professional network, to strengthen the participants' professional development, to engage with new audiences.
- » **to transform:** to contribute to societal change in line with the New European Bauhaus values and principles.

**Legal entities** must:

- be a non-profit organisation, NGO, public body, foundation, company, self-employed person, etc;
- be legally registered and based in one of the 40 Creative Europe countries;
- be active in one of the following sectors: architecture, cultural heritage, design and fashion design, literature, music, performing arts or visual arts;
- have the capacity (i.e. facilities, services, mentorship, staff) to implement the project.
- submit a project proposal, if selected, the future hosts must then define and present personal details of participants, itineraries and precise dates of the residency.

#### Project Duration

Short-term: **from 22 to 60 days**

Medium-term: **from 61 to 120 days**

Long-term: **from 121 to 300 days**
